

# User Manual

FISECARE v1.0

## Setting Up (keyboard required)

Step 1: Open the **FISECARE** folder and then open the **Settings** folder.

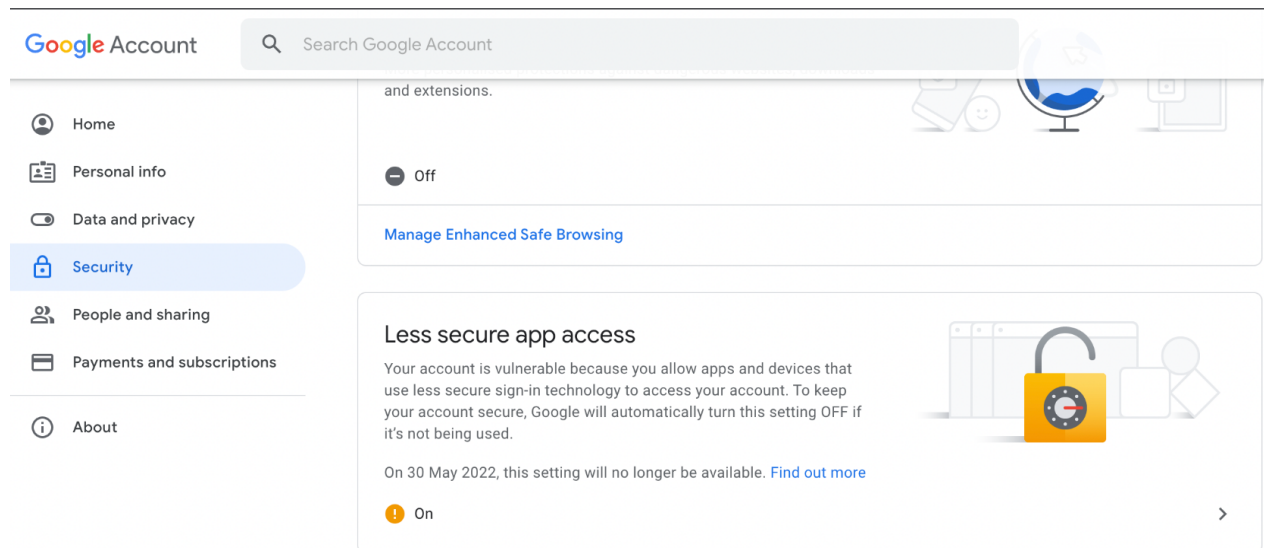

Step 2: In the **sender\_email.json** file, enter SMTP host name, your care home email, the email's password and the port number. **Save** the file before closing. **Please ensure that you follow the format below.** Alternatively, you could use the setting provided below:

```
sender_email - Notepad
File Edit Format View Help
{
  "host_name": "smtp.gmail.com",
  "username": "fiseforcarehomes@gmail.com",
  "password": "Password_123",
  "port": "587"
}
```

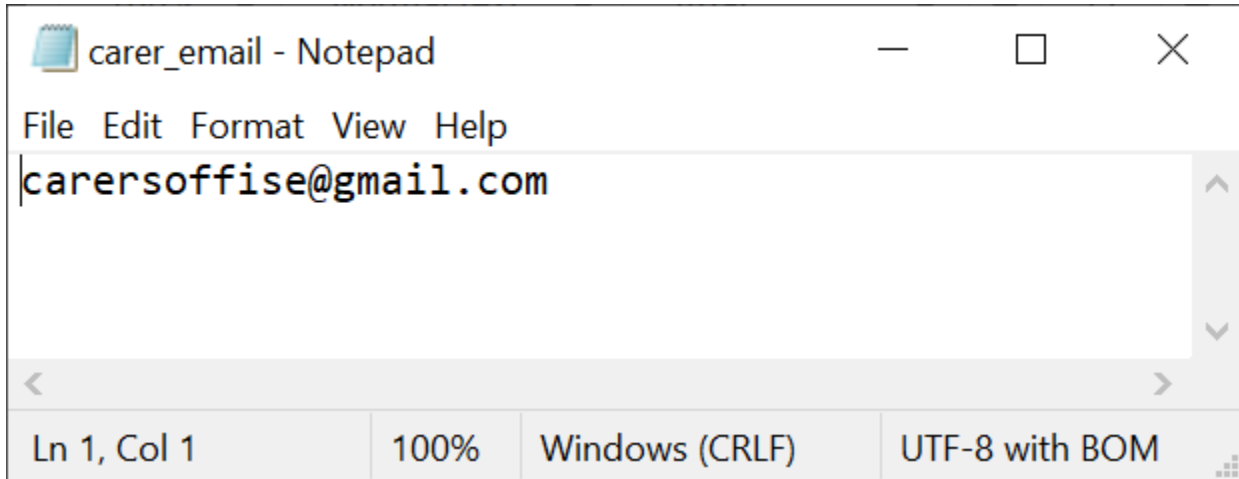

Ln 1, Col 1      100%      Windows (CRLF)      UTF-8 with BOM

Step 3: Go to <https://myaccount.google.com/> and log in to the email address you entered in step 2. Click on 'Security' on the left side and scroll down to 'Less secure app access'. **Please ensure that this option is on.** This is how it should look like:

The screenshot shows the Google Account management interface. On the left, a navigation menu includes 'Home', 'Personal info', 'Data and privacy', 'Security' (highlighted), 'People and sharing', 'Payments and subscriptions', and 'About'. The main content area is divided into sections. The top section, partially visible, shows a toggle switch set to 'Off' and a link for 'Manage Enhanced Safe Browsing'. The 'Less secure app access' section is the focus, featuring a yellow padlock icon. The text in this section reads: 'Your account is vulnerable because you allow apps and devices that use less secure sign-in technology to access your account. To keep your account secure, Google will automatically turn this setting OFF if it's not being used.' Below this, a warning states: 'On 30 May 2022, this setting will no longer be available. [Find out more](#)'. At the bottom of the section, a yellow warning icon is followed by the text 'On' and a right-pointing chevron.

Step 4: In the **carer\_email.txt** file, enter the carer's email and **save** the file. **Only one email is allowed**. Alternatively, you could use the provided email:

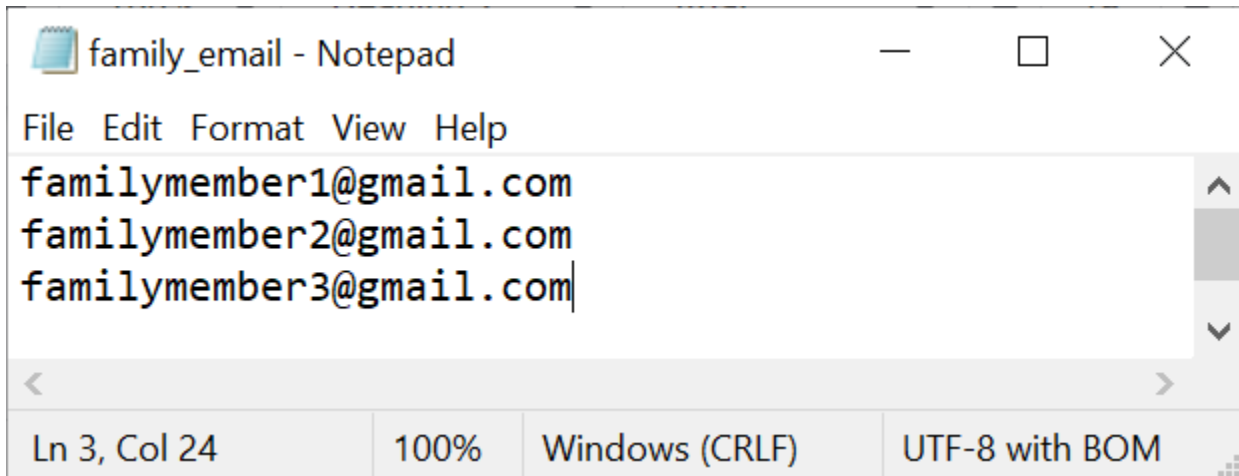

```
carersoffise@gmail.com
```

The screenshot shows a Notepad window with the title 'carer\_email - Notepad'. The menu bar includes 'File', 'Edit', 'Format', 'View', and 'Help'. The text area contains the email address 'carersoffise@gmail.com'. The status bar at the bottom indicates 'Ln 1, Col 1', '100%', 'Windows (CRLF)', and 'UTF-8 with BOM'.

**The password for the email above is “Password\_123”.**

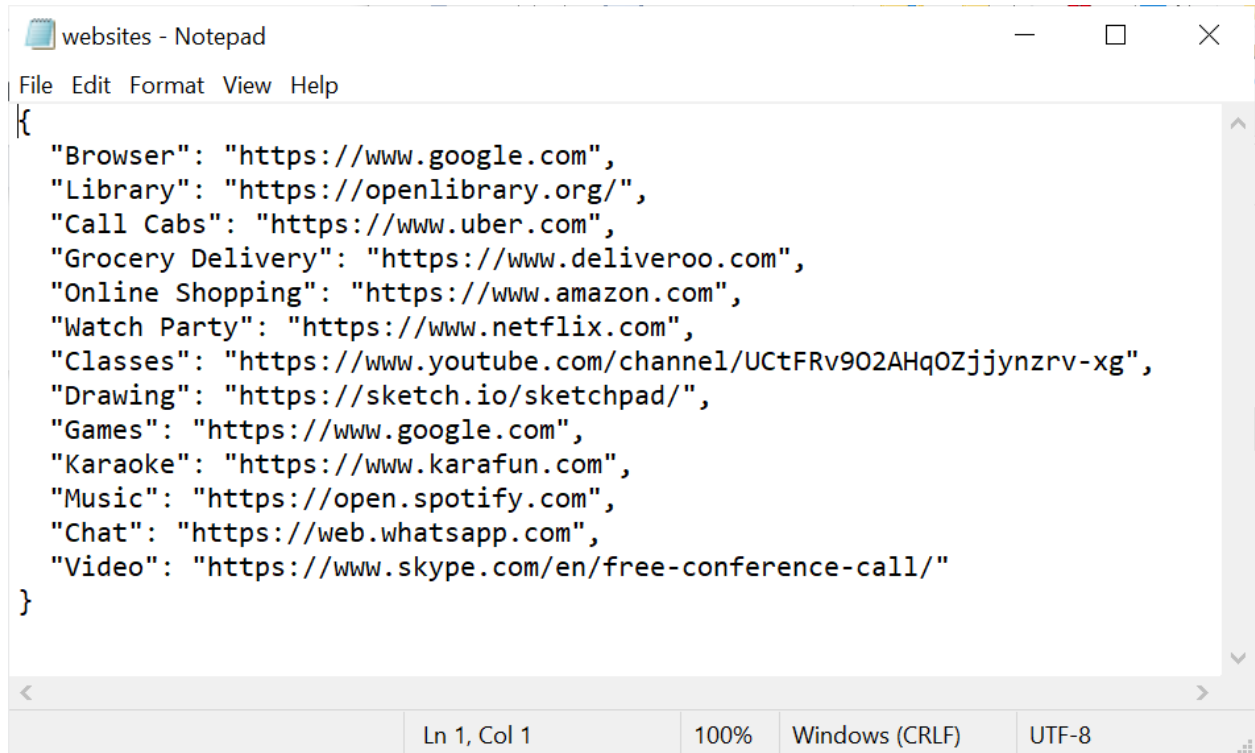

Step 5: In the **family\_email.txt** file, enter emails of residents' family members (**one email per line**) and **save** the file.

```
familymember1@gmail.com
familymember2@gmail.com
familymember3@gmail.com
```

The screenshot shows a Notepad window with the title 'family\_email - Notepad'. The menu bar includes 'File', 'Edit', 'Format', 'View', and 'Help'. The text area contains three email addresses, one per line: 'familymember1@gmail.com', 'familymember2@gmail.com', and 'familymember3@gmail.com'. The status bar at the bottom indicates 'Ln 3, Col 24', '100%', 'Windows (CRLF)', and 'UTF-8 with BOM'.

Step 6: In the **websites.json** file, you could change the url for each mode or leave it as is. **Please ensure that you follow the format below and do not delete any of the existing modes.**

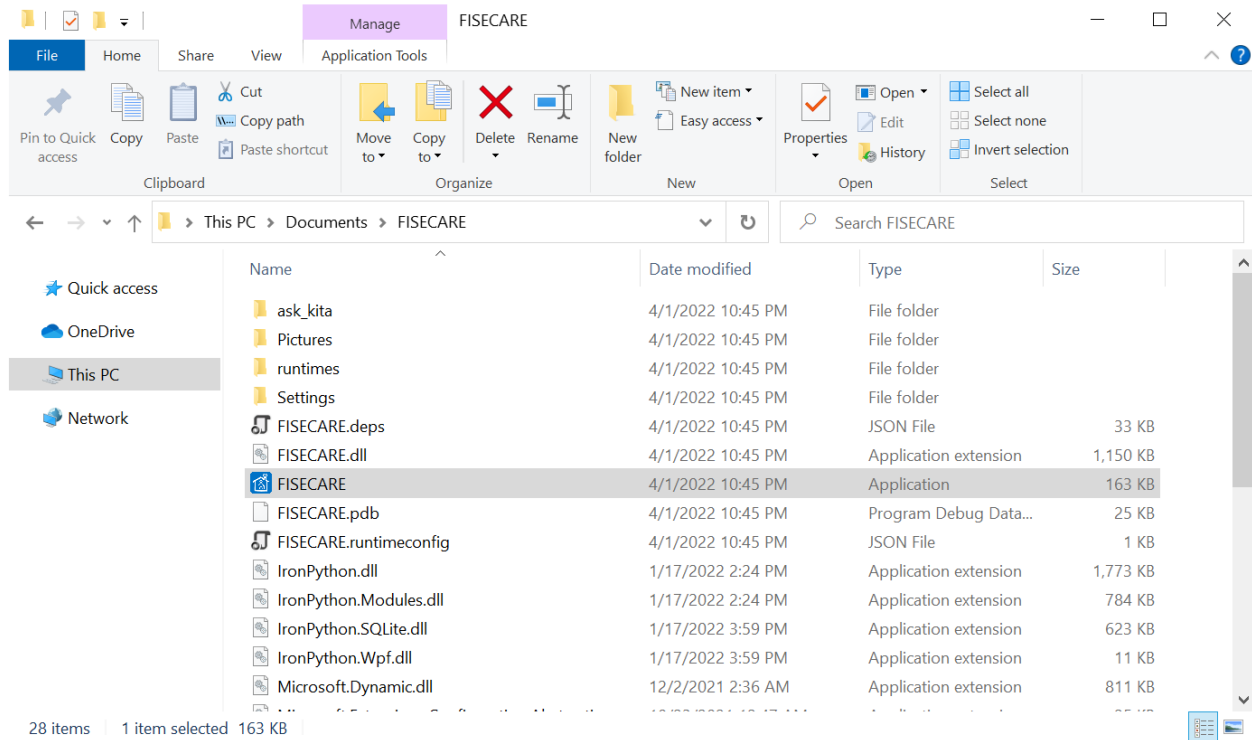

```

← Home Open Magnifier

Step 4: Select the page by clicking on the button.

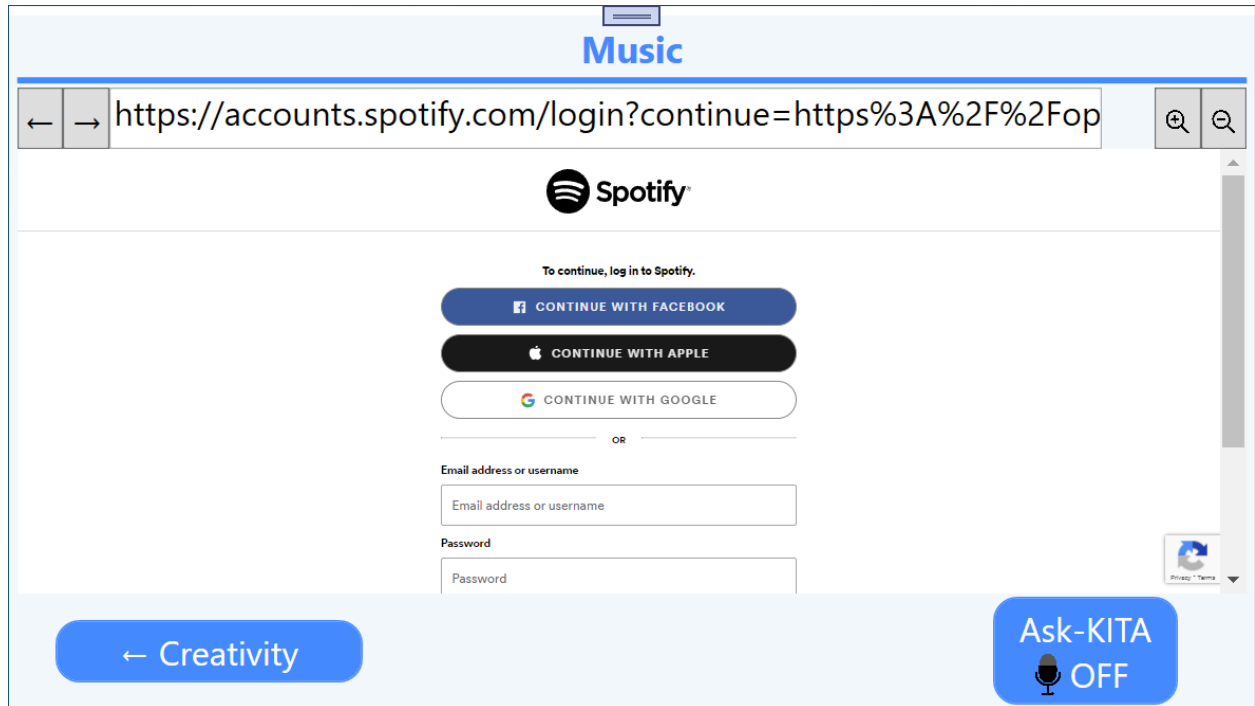

Step 5: Click on the Login button.

## Step 6: Login to the website.

The screenshot shows a browser window with the Spotify login page. The browser's address bar contains the URL: `https://accounts.spotify.com/login?continue=https%3A%2F%2Fop`. The page features the Spotify logo at the top center. Below the logo, the text "To continue, log in to Spotify." is displayed. There are three social login buttons: "CONTINUE WITH FACEBOOK", "CONTINUE WITH APPLE", and "CONTINUE WITH GOOGLE". Below these is an "OR" separator. The login form includes two input fields: "Email address or username" and "Password". At the bottom of the page, there is a blue navigation bar with a "← Creativity" button on the left and an "Ask-KITA OFF" button on the right, which includes a microphone icon.

# Running FISECARE with MotionInput

Step 1: Launch MotionInput.

Step 2: Launch FISECARE. You may need to install [.NET Desktop Runtime 6.0](#).

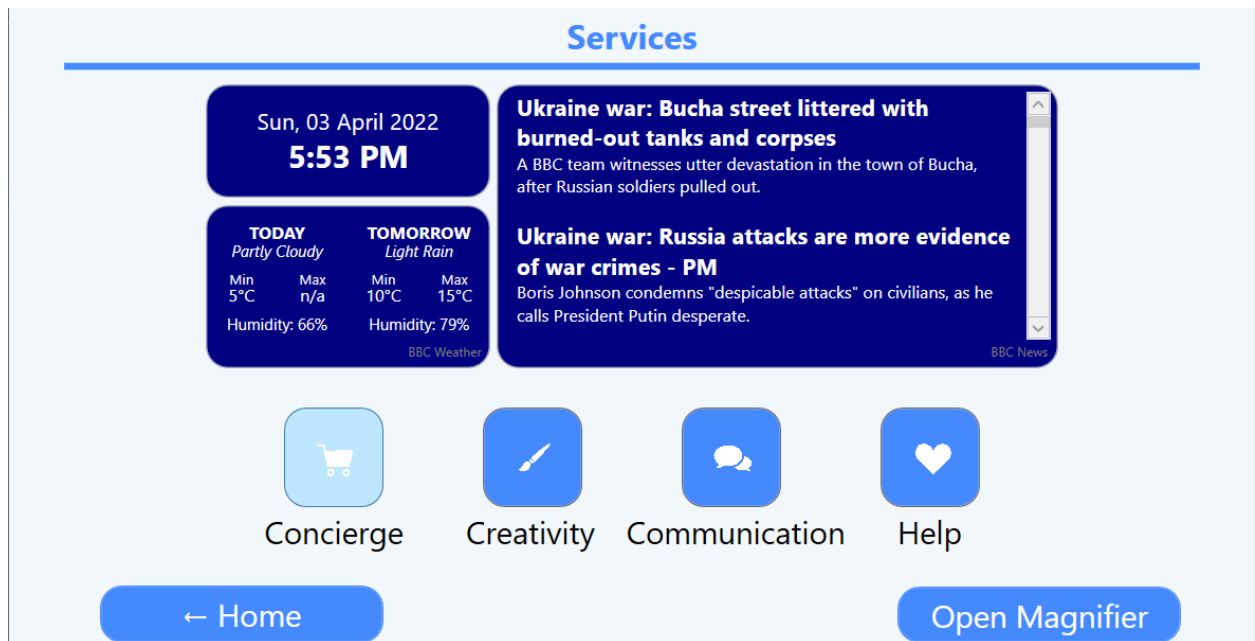

Step 3: Navigate through FISECARE using MotionInput. For MotionInput guide, please visit [www.motioninput.com](http://www.motioninput.com).

# Navigation with MotionInput (Online Shopping)

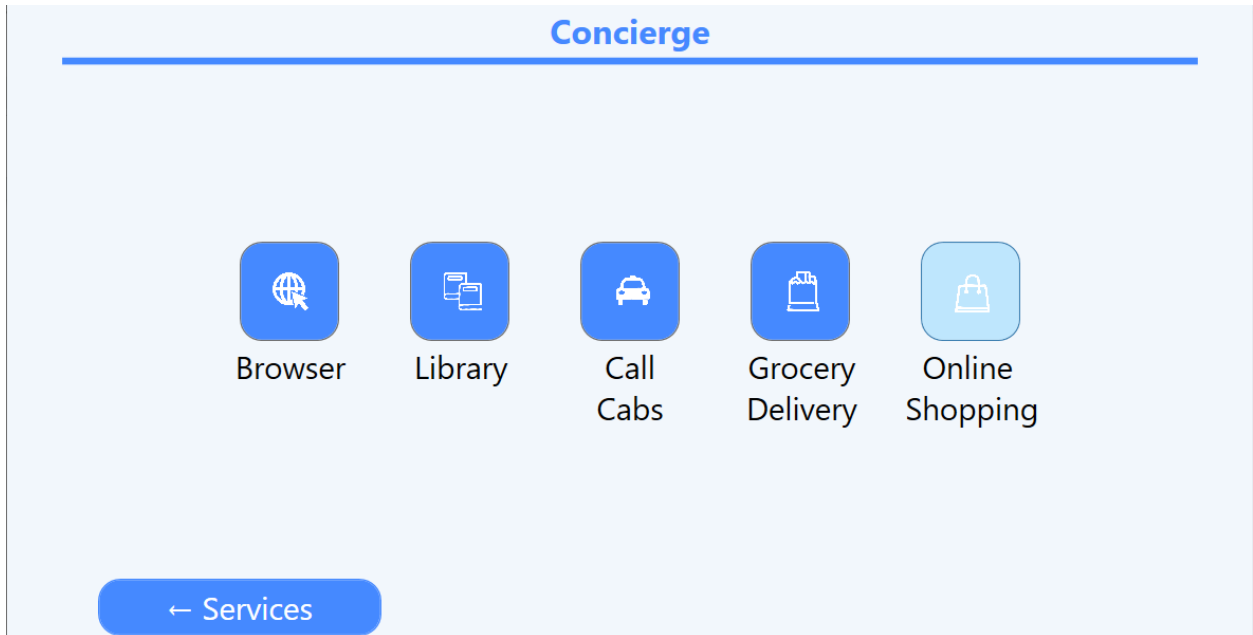

Step 1: Click on the **Services** button.

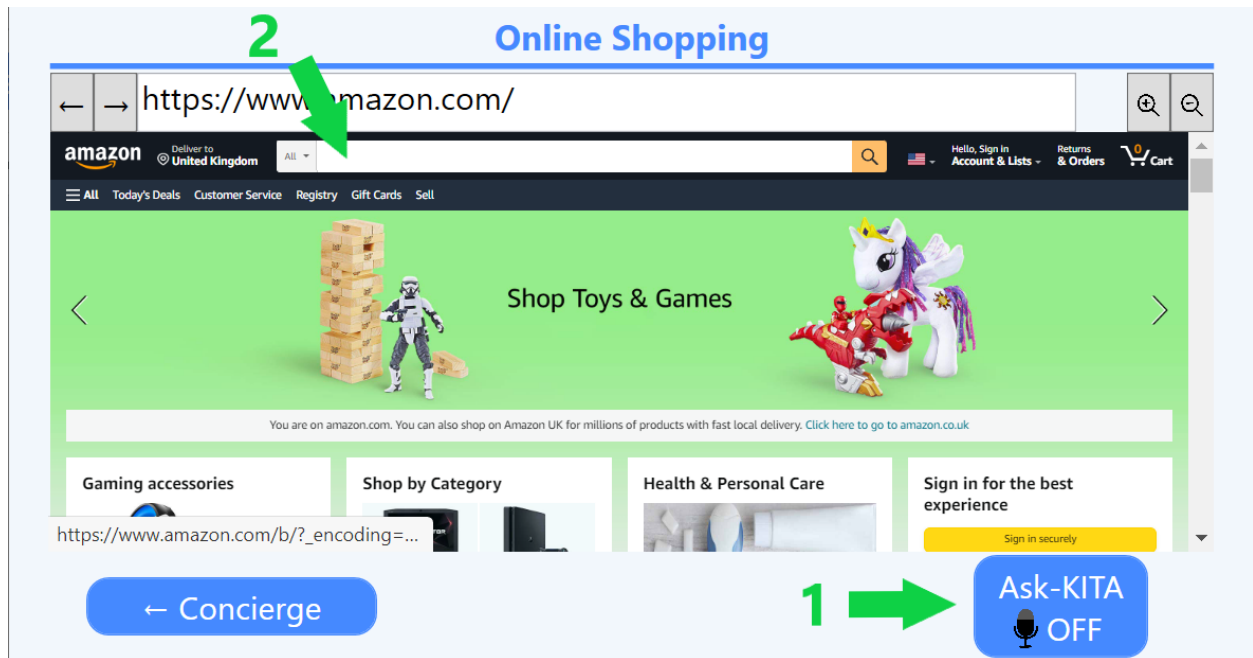

Step 2: Click on the **Concierge** button.

Step 3: Click on the **Online Shopping** button.

Step 4: Click on **Ask-KITA** button to turn on the speech-to-text mode. Alternatively, MotionInput enables you to say “**transcribe**” to turn Ask-KITA on. Then, click on the search tab and start speaking to search for the item. Turn Ask-KITA off by clicking on the **Ask-KITA** button again or saying “**transcribe**”.

Step 5: To **zoom in/out**, click the buttons on the top right corner. On the top left corner are the **Go Back/Forward** button to navigate you forward or go back. To scroll up/down, use the **scrollbar** on the right side of the screen to move up/down. By using MotionInput you can also say “**page up**” or “**page down**” to navigate up/down.

Go Back/Forward

Zoom In/Out

The screenshot shows the Amazon UK website search results for 'umbrella'. The address bar contains the URL: `https://www.amazon.com/s?k=umbrella&i=aps&ref=nb_sb_ss_ts-c`. The search bar shows 'umbrella' and the Amazon logo. The page header includes 'Deliver to United Kingdom', 'Hello, Sign in Account & Lists', 'Returns & Orders', and 'Cart'. The search results show '1-48 of over 1,000 results for "umbrella"'. On the left, there are filter sections for 'PRIME & DELIVERY', 'SHIPPING OPTIONS', 'CATEGORIES', 'RAIN UMBRELLAS', and 'GOLF UMBRELLAS'. The main results area shows several umbrella products, including a blue patterned umbrella, a black umbrella, a blue folding umbrella, and a grey umbrella. A green arrow labeled 'Scrollbar' points to the right, indicating the scroll bar's position. The URL at the bottom of the browser window is partially visible: `amazon.com/.../ref=pa_sp_atf_aps_sr_pg1...`
